Professionally formulated septic and drain maintenance products that help **reduce odors, minimize pump-outs, and protect your system** from costly failures — trusted by homeowners and property managers since 1985.

SEPTIC MAINTENANCE

Septic Solution Plus™

Prevent septic problems before they become expensive emergencies.

\$149 / 36 treatments | \$249 / 72 treatments

A natural, preventive maintenance treatment designed to reduce odors, support proper waste breakdown, and help protect your septic system from costly failures over time. Focuses on preventive care — helping your system operate as intended for the long term. Replacing a septic system can cost **thousands of dollars** — routine maintenance costs far less.

WHAT IT HELPS WITH

- Reduces septic odors & system stress
- Supports natural waste breakdown
- Reduces drain field & lateral line buildup
- Minimizes clogs and flow restrictions
- May reduce frequency of pump-outs
- Supports long-term system lifespan

SAFE & EASY TO USE

- All-natural and environmentally responsible
- Simple monthly application schedule — measuring scoop included
- Made in the USA · Trusted for over 40 years

AVAILABLE SIZES & APPLICATION GUIDE

- 📦 **36 Applications — \$149** (Up to 3 years of preventive maintenance)
- ★ **72 Applications — \$249 (Best Value)** (Up to 6 years of preventive maintenance)
- 1-2 baths: 1 treatment/month · 3+ baths: 2 treatments/month

DRAIN & PIPE MAINTENANCE

EZ-Flow Drain & Pipe Support™

Restore flow, reduce odors, and break down buildup in household drains.

\$45.00 – \$180.00 per bottle

A concentrated, eco-safe drain maintenance solution designed to keep pipes flowing freely and reduce organic buildup without harsh chemicals. Each bottle contains **five applications**. Ideal for routine maintenance — not emergency chemical clearing. A safer, greener alternative to caustic drain cleaners.

WHAT EZ-FLOW HELPS WITH

- Prevents clogs and slow drains
- Breaks down soap scum, hair & grease
- Reduces drain odors
- Supports ongoing flow maintenance
- Safe for all plumbing types & fixtures
- Beneficial for septic system homes

SAFE & ENVIRONMENTALLY RESPONSIBLE

- Free of harsh chemicals, caustics, and pollutants
- Environmentally responsible "green" formulation
- Safe for sinks, tubs, showers, washers & dishwashers

HOW TO USE & ORDERING

- 💧 Add **3 oz once per month** to any drain — let sit overnight for best results
- 🔄 Use in washing machines or dishwashers during the rinse cycle (empty machine)
- 📦 Bulk discounts available: 1, 2, 3, 4, 5, or 6 pints per order

All-Natural Formula

Eco-safe ingredients that work with your system, not against it

Proven Since 1985

Over 40 years protecting septic systems for homeowners nationwide

Saves You Money

Preventive maintenance costs far less than emergency repairs or replacement

“We have been using Miller Plante’s product for over 25 years. The technician opened the tank and said, “you don’t need this thing pumped, it’s super clean!” We love the product and will continue to use it each month because it works!”

— Harry E.

“I used the EZ Flow drain cleaner and it helped overnight. I did a second application and it is working like normal now. I continue to use the product on all my drains to keep them running clear.”

— James K.
